When this article was published, mention of the Agence Nationale de la Recherche (ANR)'s support of this work was mistakenly omitted from the Acknowledgments section. A corrected section has been provided below.

The authors regret the error.

ACKNOWLEDGMENTS

We thank Nicolas Sorhaindo at the Claude Bernard Institute for Biochemistry and Nadège Brunel at Saint-Antoine Hospital (UMRS 938) for multiplex assay. We are grateful to David Bergerat for genotyping of mice and Nicolas Cagnard for microarray analysis. We acknowledge the Necker Institute Animal Facility and thank Hybrigenics and Christine Salaün for the double hybrid screen. The work was supported by INSERM, CNRS, University Paris-Descartes, Agence Nationale de la Recherche (ANR Grant 10-BLAN-1110-01) and Naturalia et Biologia (to Y.S.).
